

SEQUANA

2007 SEQUANA PINOT NOIR
SUNDAWG RIDGE VINEYARD
GREEN VALLEY OF RUSSIAN RIVER VALLEY

APPELLATION: One of the smallest appellations on the Sonoma coast, Green Valley of Russian River Valley has a cool climate, a result of the fog that comes from the Pacific Ocean each evening. The cooler weather and well-drained Goldridge soils create an idyllic climate for growing Pinot Noir, yielding complex, elegant wines with well-balanced acidity. Pinot Noir achieves greatness here.

VINEYARD: At 280 feet elevation, among rolling hills, old apple orchards and chestnut groves, Sundawg Ridge sits above the fog many mornings. This 6.9 acre, sustainably-farmed vineyard was planted by the Kensler Family in 1999, and benefits from exceptional exposure, temperate microclimate and mineral-rich Goldridge soils. Sequana is the sole producer of wine from this vineyard.
